HACKATHON 2k21

Final Evaluation:

Key Points to Remember:

1. Make sure you deploy your website/application before June 27, 2021, 13:00 HRS IST. It is advisable to do it today as the website/application might run smoothly on your local host but cause some trouble while hosted on the server. For frontend theme, you can simply host it on GitHub pages.

2. Commit your mid evaluation presentation as soon as possible if you haven't done till now and do not make any changes in it as it might reflect in your score.

3. In the final evaluation, you will be supposed to present your website/ application only and not any presentation.

4. Any commits made after 13:00 HRS IST would carry negative marks.

5. If you have any query, please feel free to reach us out at ecell@iiitp.ac.in

6. Do not forget to fill the google form before 27 June 2021 13:00 HRS IST. Any form submitted after given time will not be considered.

7. Meet link and your timings for tomorrow will be given in the sheet that will shared to you by 10:00 PM today.

8. The closing ceremony will be held on 27 June 2021 18:00 HRS IST.
